About this journey

Hello. Thank you for your interest in becoming a Presumptive Eligibility Determine. This journey includes various courses to become a certified PED within the state of New Mexico. The courses must be taken in order and at the end, there will be a comprehensive exam. The exam has 30 questions. The passing score for this exam is 90% or higher. You will get 2 attempts at this exam. If you fail both attempts, you will need to email HCA.PEdeterminers@hca.nm.gov to request a re-assignment of PED training and a new exam.

Track 2: Presumptive Eligibility Program Overview

6: Select Launch to begin.

The screenshot shows a web application interface for the Health Care Authority. At the top, there is a header bar with the logo on the left, a search bar in the center, and icons for a trophy, a bell, and a user profile labeled "AV" on the right. Below the header, a dark blue progress bar shows "0/14" and "0%" completion, with a "Back to journey" link. To the right of the progress bar, it says "Next up Presumptive Eligibility Program Overview". The main content area displays a course card for "Medicaid Eligibility". The card includes a thumbnail image of a person at a computer, the course title, and details: "COURSE | 35m | NM BMS | English | Everyone". It also shows a status of "Not Started" and a button to "Earn a Badge". A "Launch" button with an external link icon is positioned below the thumbnail, with a red arrow pointing to it. A star rating of "5 (1)" is visible in the top right corner of the course card.

7: You will see your progress in your journey at the top right side of your screen.
