I. INTRODUCTION

A. PURPOSE OF THIS REQUEST FOR PROPOSALS

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of modeling services to project the costs and impacts of the state's health care affordability initiatives. The Health Care Authority (HCA) seeks proposals from highly qualified and experienced vendors who can produce accurate, timely, and cost-effective modeling and analysis in a rapidly changing health care affordability policy environment.

B. BACKGROUND INFORMATION

New Mexico's Health Care Affordability Fund (HCAF) was established in 2021 with the goal of reducing health insurance costs for New Mexicans purchasing coverage through the state's Health Insurance Marketplace, small businesses, and uninsured state residents. Since then, the State has launched a wide range of innovative health care affordability initiatives, including premium assistance for Marketplace enrollees, a premium assistance program for Native American Marketplace enrollees, premium assistance for individuals transitioning from Medicaid into Marketplace coverage, out-of-pocket assistance for Marketplace enrollees, and premium support for small businesses. In response to recent federal changes, the state has implemented several new initiatives to prevent coverage loss and large premium increases. Program rules and guidance can be found on the State's [HCAF landing page](#).

To implement these programs within budget, HCA requires sophisticated program cost and impact modeling. HCA must make major budget and policy decisions in a rapidly changing environment, including evolving federal law, market conditions, and demographic trends. To responsibly design, scale, and sustain HCAF programs, HCA requires rigorous, New Mexico-specific actuarial and quantitative analysis that can project enrollment, costs, and coverage outcomes across a range of scenarios and over multiple years.

HCA also has statutory and policy responsibilities to ensure that HCAF dollars are used efficiently, that program rules are implemented accurately, and that policymakers and the public receive clear, credible information about program impacts. This includes producing annual actuarial reports for the legislature, modeling costs and impacts of program changes under a variety of scenarios, reconciling State Out-of-Pocket Assistance (SOPA) payments, and assisting the HCA with annual budget development and legislative reports. The services sought through this RFP will supplement HCA's internal analytic capacity with specialized actuarial expertise, robust modeling tools, and timely technical assistance. This support is essential for policy development, transparent reporting, prudent stewardship of HCAF revenues, and ensuring that affordability initiatives deliver meaningful and sustainable benefits to New Mexicans.

C. SCOPE OF PROCUREMENT

The selected vendor/vendors will perform enrollment impact modeling; state cost & budget and member impact modeling; an annual report modeling the demographics of uninsured New Mexicans and the impact of HCAF programs; assist with the reconciliation process for the SOPA program; model changes to and advise the HCA on standardized health plans; produce an annual actuarial report for the legislature; and provide technical assistance, coordination, and data management services. The term of the contract will be for four years. These services are being purchased to ensure the HCA has the ability to accurately model program costs and impacts and ensure accountability for statutory reporting requirements.

This RFP will result in a four-year contract (one base year with three one-year renewal options, contingent on funding and performance) for services. Recognizing that certain services require unique capabilities, HCA will consider separate bids for the services described in the Detailed Scope of Work related to 1) Annual Uninsured Demographic Analysis and 2) Modeling and State Out-of-Pocket Assistance Reconciliation. Any vendor submitting bids for any other sections of the Scope of Work must also submit a bid for these services. Vendors are welcome to submit bids that include the use of subcontractors, provided that information about the subcontractors whose services are being priced in the proposal are disclosed.

This procurement will result in a contractual agreement between two parties; the procurement may ONLY be used by those two parties exclusively.

The use of subcontractors is allowed. The prime contractor shall be wholly responsible for the entire performance of the contractual agreement whether or not subcontractors are used. Additionally, the prime contractor must receive approval, in writing, from the agency awarding any resultant contract, before any subcontractor is used during the term of this agreement.

5. Amended Proposals

An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. **Agency personnel will not merge, collate, or assemble proposal materials.**

6. Offeror's Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Procurement Manager and signed by the Offeror's duly authorized representative.

The approval or denial of withdrawal requests received after the deadline for receipt of the proposals is governed by the applicable procurement regulations, 1.4.1.5 & 1.4.1.36 NMAC.

7. Proposal Offer Firm

Responses to this RFP, including proposal prices for services, will be considered firm for one-hundred twenty (120) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

8. Disclosure of Proposal Contents

The contents of all submitted proposals will be kept confidential until the final award has been completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

- a. ***Proprietary and Confidential information is restricted to:***
 1. confidential financial information concerning the Offeror's organization; and
 2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7 NMSA 1978.
- b. An additional but separate redacted version of Offeror's proposal, as outlined and identified in Section III.B.2.a, shall be submitted containing the blacked-out proprietary or confidential information, in order to facilitate eventual public inspection of the non-confidential version of Offeror's proposal.

IMPORTANT: The price of products offered or the cost of services proposed **SHALL NOT** be designated as proprietary or confidential information.

If a request is received for disclosure of proprietary or confidential materials, the Agency shall examine the request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of proprietary or confidential information.

9. No Obligation

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Agency determines such action to be in the best interest of the State of New Mexico.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and the Evaluation Committee), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85 NMSA 1978.

19. Right to Waive Minor Irregularities

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.19. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that **all** of the otherwise responsive proposals failed to meet the

same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

21. Notice of Penalties

The Procurement Code, §§13-1-28 through 13-1-199 NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

22. Agency Rights

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

23. Right to Publish

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

24. Ownership of Proposals

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by the Agency or HCA/HCA.

25. Confidentiality

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the procuring Agency's written permission.

DRAFT CONTRACT

STATE OF NEW MEXICO
HEALTH CARE AUTHORITY
PROFESSIONAL SERVICES CONTRACT

THIS PROFESSIONAL SERVICES AGREEMENT (“Agreement” or “Contract”) is made by and between the State of New Mexico, **Health Care Authority**, hereinafter referred to as the “**HCA**,” and **Contractor**, hereinafter referred to as the “Contractor”, and is effective as of the date set forth below upon which it is executed by the State Purchasing Division (SPD) Contract Review Bureau (CRB).

IT IS AGREED BETWEEN THE PARTIES:

1. Scope of Work.

The Contractor shall perform all services detailed in Exhibit A, Scope of Work, attached to this Agreement and incorporated herein by reference.

2. Compensation.

A. The HCA shall pay to the Contractor in full payment for services satisfactorily performed, excluding gross receipts tax. The total amount payable to the Contractor under this Agreement, including gross receipts tax, if applicable, shall not exceed (AMOUNT). This amount is a maximum and not a guarantee that the work assigned to be performed by Contractor under this Agreement shall equal the amount stated herein. The parties do not intend for the Contractor to continue to provide services without compensation when the total compensation amount is reached. Contractor is responsible for notifying the HCA when the services provided under this Agreement reach the total compensation amount. In no event will the Contractor be paid for services provided in excess of the total compensation amount without this Agreement being amended in writing prior to those services in excess of the total compensation amount being provided.

B. Payment is subject to availability of funds pursuant to the Appropriations Paragraph set forth below and to any negotiations between the parties from year to year pursuant to Paragraph 1, Scope of Work, and to approval by the SPD. All invoices MUST BE received by the HCA no later than fifteen (15) days after the termination of the Fiscal Year in which the services were delivered. Invoices received after such date WILL NOT BE PAID.

C. Contractor must submit a detailed statement accounting for all services performed and expenses incurred. If the HCA finds that the services are not acceptable, within thirty days after the date of receipt of written notice from the Contractor that payment is requested, it shall provide the Contractor a letter of exception explaining the defect or objection to the services, and outlining steps the Contractor may take to provide remedial action. Upon certification by the HCA that the services have been received and accepted, payment shall be tendered to the Contractor within thirty days after the date of acceptance. If payment is made by mail, the payment shall be deemed tendered on the date it is postmarked. However, the HCA shall not incur late charges, interest, or penalties for failure to make payment within the time specified herein.

3. **Term.**

THIS AGREEMENT SHALL NOT BECOME EFFECTIVE UNTIL APPROVED BY THE State Purchasing Department (SPD)/Contracts Review Bureau (CRB). This Agreement shall terminate on (Date), unless terminated pursuant to paragraph 4 (Termination), or paragraph 5 (Appropriations). In accordance with NMSA 1978, § 13-1-150, no contract term for a professional services contract, including extensions and renewals, shall exceed four years, except as set forth in NMSA 1978, § 13-1-150.

4. **Termination.**

A. **Grounds.** The HCA may terminate this Agreement for convenience or cause. The Contractor may only terminate this Agreement based upon the HCA's uncured, material breach of this Agreement.

B. **Notice; HCA Opportunity to Cure.**

1. Except as otherwise provided in Paragraph (4)(B)(3), the HCA shall give Contractor written notice of termination at least thirty (30) days prior to the intended date of termination.

2. Contractor shall give HCA written notice of termination at least thirty (30) days prior to the intended date of termination, which notice shall (i) identify all the HCA's material breaches of this Agreement upon which the termination is based and (ii) state what they must do to cure such material breaches. Contractor's notice of termination shall only be effective (i) if the HCA does not cure all material breaches within the thirty (30) day notice period or (ii) in the case of material breaches that cannot be cured within thirty (30) days, the HCA does not, within the thirty (30) day notice period, notify the Contractor of its intent to cure and begin with due diligence to cure the material breach.

3. Notwithstanding the foregoing, this Agreement may be terminated immediately upon written notice to the Contractor (i) if the Contractor becomes unable to perform the services contracted for, as determined by the HCA; (ii) if, during the term of this Agreement, the Contractor is suspended or debarred by the State Purchasing Agent; or (iii) the Agreement is terminated pursuant to Paragraph 5, "Appropriations", of this Agreement.

C. **Liability.** Except as otherwise expressly allowed or provided under this Agreement, the HCA's sole liability upon termination shall be to pay for acceptable work performed prior to the Contractor's receipt or issuance of a notice of termination; provided, however, that a notice of termination shall not nullify or otherwise affect either party's liability for pre-termination defaults under or breaches of this Agreement. The Contractor shall submit an invoice for such work within thirty (30) days of receiving or sending the notice of termination. *THIS PROVISION IS NOT EXCLUSIVE AND DOES NOT WAIVE THE HCA'S OTHER LEGAL RIGHTS AND REMEDIES CAUSED BY THE CONTRACTOR'S DEFAULT/BREACH OF THIS AGREEMENT.*

D. **Termination Management.** Immediately upon receipt by either the HCA or the Contractor of notice of termination of this Agreement, the Contractor shall: 1) not incur any further obligations for salaries, services or any other expenditure of funds under this Agreement without written approval of the HCA; 2) comply with all directives issued by the HCA in the notice of termination as to the performance of work under this Agreement; and 3) take such action as the HCA shall direct for the protection, preservation, retention or transfer of all property titled to the HCA and

No such subcontract shall relieve the primary Contractor from its obligations and liabilities under this Agreement, nor shall any subcontract obligate direct payment from the HCA.

As required by statute, regulation or requirement of this Agreement, and as contained in Paragraph A, above, the Contractor shall require each proposed first-tier subcontractor whose subcontract will equal or exceed \$25,000, to disclose to the Contractor, in writing, whether as of the time of award of the subcontract, the subcontractor, or its principals, is or is not debarred, suspended, or proposed for debarment by any Federal department or agency. The Contractor shall make such disclosures available to the HCA when it requests subcontractor approval from the HCA. If the subcontractor, or its principals, is debarred, suspended, or proposed for debarment by any Federal, state or local department or agency, the HCA may refuse to approve the use of the subcontractor.

APPENDIX D

COST RESPONSE FORM

Cost Response Form Guidance:

Use this Appendix to create a table, form, space/line, budget outline, etc. on which Offerors will submit their separate Cost Proposal. Keep in mind the following:

- Consider how you need the cost submitted.
- Do you need a detailed budget table, a list of prices for goods and services, just a line for an hourly/monthly rate, or something else?
- Will your RFP require Offerors to respond to different or separate categories, which will each have unique and separate cost requirements?
- Do you need to include a separate line item for estimated NMGRT, local options tax, etc., taxes?

Provide the Offerors with instructions on:

- how to complete the cost
 - ✓ EXAMPLE: “Offeror must provide costs for every line item included in the budget table provided.”;
- what the cost must include
 - ✓ EXAMPLE: “All costs provided by the Offeror must include all labor materials, equipment, travel, training, transportation, configuration, installation, and profit.”;
- any limitation(s) on the cost
 - ✓ EXAMPLE: “The Agency will not pay any additional charges outside of the hourly rate provided by the Offeror.” OR “The Offeror shall not add categories or line items to the budget table provided. It must be completed as-is.” OR “Offeror’s proposed cost shall not be used to replace Offeror’s already-budgeted funds for the proposed project.”; and/or
- whatever else might be appropriate.
- Consider how long the resulting contract will be in place. If your contract will be in place for multiple years, is asking for one year’s budget, or one year’s rates,

enough for the length of the contract? Do you need an escalation clause in case of unforeseen cost increases? Do you need Offerors to submit multiple years' worth of cost, to cover the entire term of the contract?

- Consider how the cost is to be evaluated. Is the Cost Evaluation Factor in Section V a formula? If so, be clear about which cost from this Appendix will be used in the formula.
 - ✓ EXAMPLE: If the Cost Response Form requires a four-year detailed budget, you might specify that the cost to be used in the corresponding Evaluation Factor formula will be the total of all four budget years (i.e. $\text{TotalYear1} + \text{TotalYear2} + \text{TotalYear3} + \text{TotalYear4}$).
- Keep in mind, using only one year of a multi-year cost in the Evaluation Factor formula may result in an Offeror providing better pricing in that year, but subsequent years may increase sharply because they're not being included in the evaluation of cost.
- If you're having difficulty determining how cost should be submitted, consider how cost has been submitted on prior invoices, how invoices are submitted in the respective industry, and/or what the funding requires.
 - ✓ EXAMPLE: If prior invoice cost has been an hourly rate multiplied by the number of service hours, a simple space for an hourly rate may be sufficient to meet your needs.
