- The CONTRACTOR must comply with Section **Error! Reference source not found.** Directed Payments.
- The effective dates of the directed payments are contingent on CMS approval and subject to annual renewal unless otherwise noted. Directed payments without a specified end date are anticipated to be in place for the duration of the term of this Agreement and will be removed from this Attachment if ended prior to the termination of the contract term.
- For directed payments operationalized through a Separate Payment Term, the amount of the payment each quarter will be based on emerging utilization data. The CONTRACTOR is required to submit utilization and paid amounts by procedure code, rate cohort and month in which the service occurred for each quarter. Each subsequent quarter will include a look-back period to account for claims lag.

- For directed payments operationalized through capitation, HCA may request ad hoc reporting to verify accuracy of information used to determine payment and will take action on any Provider complaints on the respective directed payment, and review and potentially reconcile the state directed payment, as needed.
- HCA will also rely on sanctions, including monetary penalties, for noncompliance as specified in Section **Error! Reference source not found.** Sanctions.

Attachment 11: Non-Risk Arrangements
