Medical Assistance Program Manual
Supplement

DATE: October 25, 2007

NUMBER: 07-05

**TO: ALL HOME AND COMMUNITY BASED SERVICES WAIVER PROVIDERS
PARTICIPATING IN THE NEW MEXICO MEDICAID PROGRAM**

FROM: CAROLYN INGRAM, DIRECTOR, MEDICAL ASSISTANCE DIVISION

**THROUGH: SADI TRUJILLO, BUREAU CHIEF
PROGRAM OVERSIGHT AND SUPPORT BUREAU**

**BY: STEVEN COCA, PROGRAM COORDINATOR
PROGRAM OVERSIGHT AND SUPPORT BUREAU**

**SUBJECT: HCBS WAIVER PROVIDER NOTICE OF INCREASES IN MEDICAID
REIMBURSEMENT**

The Human Services Department (HSD) previously informed HCBS waiver providers that the budget approved by the Legislature and Governor for this fiscal year included money to HSD to increase payments to providers of services paid by the Medicaid Program.

This notice is to inform HCBS waiver providers of the new HCBS waiver fee schedule. These are the final rates established after considering appropriations to HSD and the Department of Health. Billing Instructions (BI) will soon follow that will further define each code with a descriptor and unit.

Providers should implement the new amounts for all services rendered on or after July 1, 2007. With the exception of T1015 Supplemental Dental and T2024 U2 Personal Plan Facilitation (pre-assessment) which are both effective January 1, 2007. Only providers authorized by DOH will be able to bill for T2024 U2 Personal Plan Facilitation (pre-assessment). When billing for services, providers must include their state gross receipt tax in their billed amounts when appropriate.

Please do NOT resubmit or request adjustments on claims already paid at the lower amount. ACS will adjust claims with dates of service July 1, 2007, forward with no action required on the part of the provider. This adjustment will occur near the end of October.

This fee schedule is posted on the MAD website at:
<http://www.hsd.state.nm.us/mad/waiverservicedisclaimer.html>.

Should you have any questions on this change, please contact Steven Coca (505) 827-3139.

We appreciate your participation in the Medical Assistance Program.
