

FEDERAL MEDICAID CUTS WILL REDUCE ACCESS TO HEALTH CARE IN NEW MEXICO

MEDICAID POWERS NEW MEXICO HEALTH CARE

As the largest health care payor, Medicaid is a lifeline for providers and the backbone of care in our communities. The strength of our entire provider network depends on a strong, stable Medicaid program.

ENROLLMENT

~840,000 Medicaid members
~42% of state's population
Highest Medicaid per capita in US

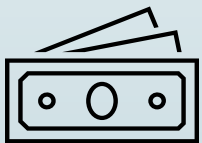

MEDICAID MEMBER IMPACTS

At least 88,530 New Mexicans permanently lose Medicaid coverage

- **Nearly 10,000** active Medicaid non-citizens will likely be disenrolled permanently beginning October 2026
- **Approx. 89,000** expansion adults likely permanently disenrolled due to work requirements beginning January 2027

5,648 could lose at least 1 month of coverage due to limits on retroactive coverage starting Jan. 2027

254,400 subject to new work requirements

MEDICAID FISCAL IMPACTS

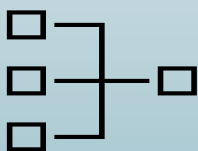

Loss of **\$8.5** billion in federal funding for provider payments 2028-2037

MEDICAID PROVIDER IMPACTS

50+ safety net providers lose critical funding

6-8 hospitals could close within 18-24 months

MEDICAID SYSTEMS IMPACTS

18 months and \$24 million General Fund needed to support integrated Medicaid & SNAP IT systems changes including Call Center and YES.NM.GOV.
