BEFORE WE START...

On behalf of all colleagues at the Health Care Authority, we humbly acknowledge we are on the ancestral lands of the original peoples of the Pueblo, Apache, and Diné past, present, and future.

With gratitude we pay our respects to the land, the people and the communities that contribute to what today is known as the **Great State of New Mexico**.

JUSTICE RE-ENTRY WAIVER GOALS & OBJECTIVES

New Mexico Justice Reentry Demonstration Goals and Objectives

Objective 1: Increasing coverage and ensuring continuity of coverage for individuals who are incarcerated
Goal: Ensure eligible individuals are enrolled in Medicaid and receive re-entry services prior to release

Objective 2: Covering and ensuring access to the minimum set of pre-release services for individuals who are incarcerated to improve care transitions upon return to the community
Goal: Ensure medication and medical resource continuity upon reentry

Objective 3: Promoting continuity of care
Goal: Strengthen community-based supports to prevent costly and avoidable emergency department visits or inpatient hospitalizations.

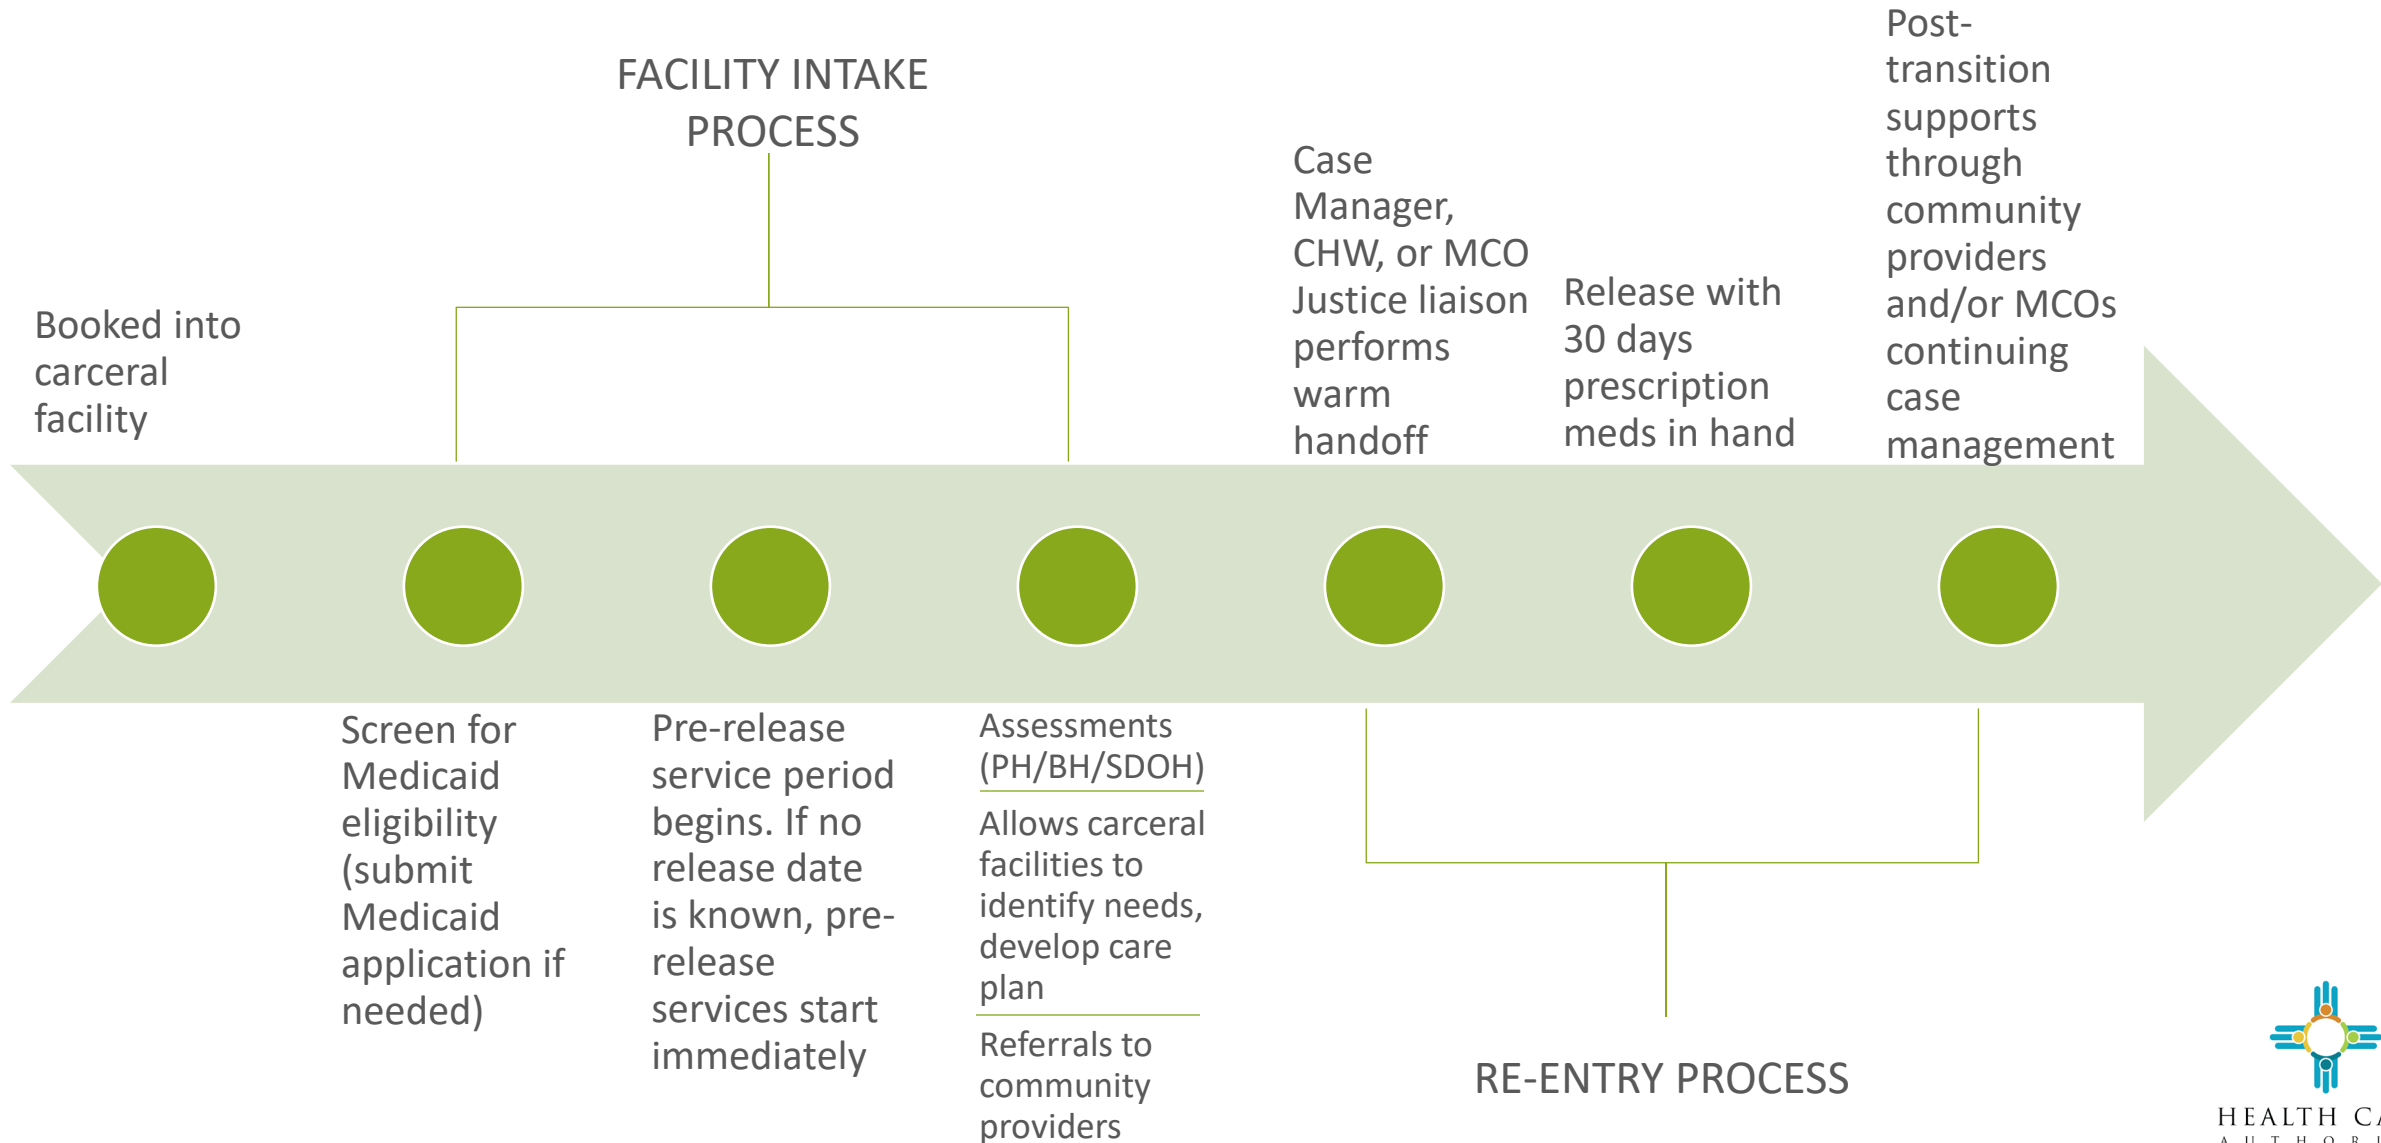

Objective 4: Connecting to services available post-release to meet the needs of the reentering population
Goal: Improve the physical and behavioral health of individuals upon community reentry
Goal: Reduce recidivism
Goal: Decrease the number of formerly incarcerated individuals who face housing insecurity

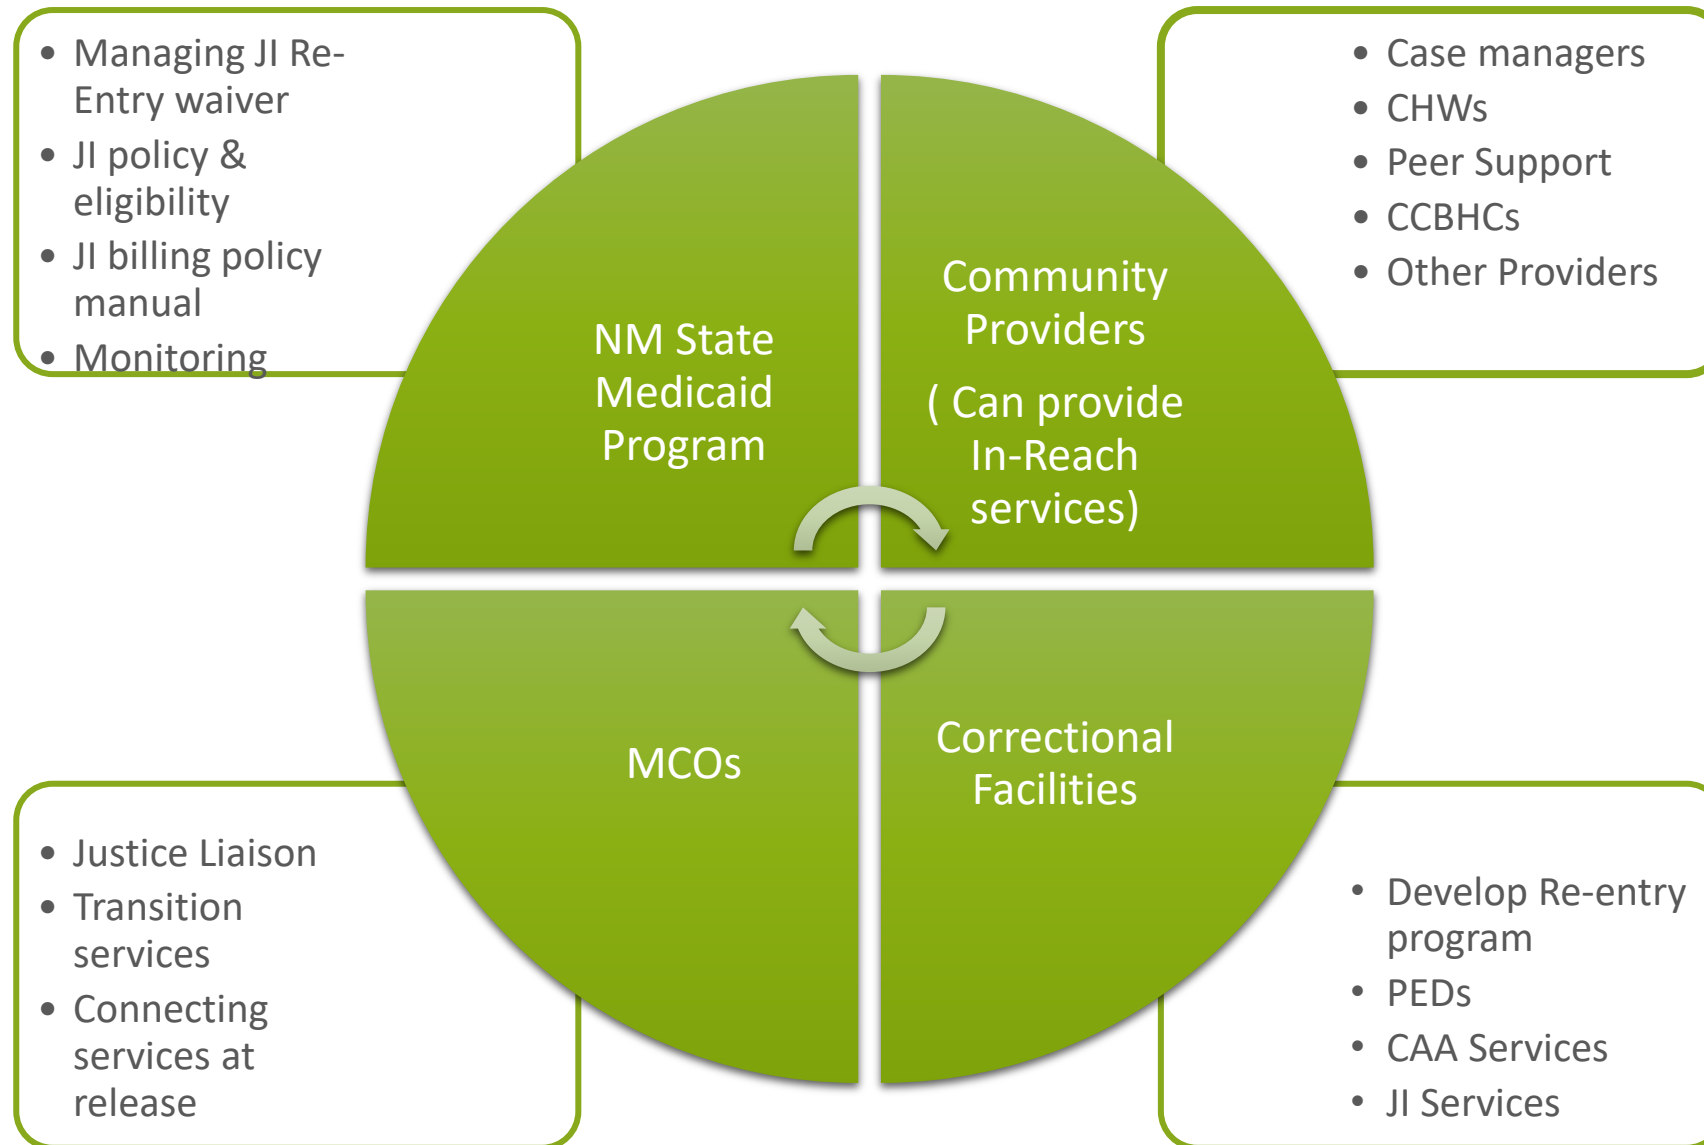

Objective 5: Ensuring cross-system collaboration
Goal: Assist counties with implementation of the program and educate on Medicaid billing,
Goal: Partner with additional jail and county detention centers

JUSTICE INVOLVED RE-ENTRY FRAMEWORK

PARTNERS INVOLVED IN RE-ENTRY SERVICES

JUSTICE RE-ENTRY DELIVERY SYSTEM

FEE-FOR-SERVICE (FFS)

- Pre-release services rendered will be billed FFS
- Enrolled Medicaid providers bill Medicaid directly for services rendered to members
- JI Provider & Billing manual

SERVICES FOR ELIGIBLE JUVENILES

ALIGNMENT WITH THE CAA REQUIREMENTS

The CAA has requirements for eligible juveniles in public institutions up to age 21, and former foster care youth up to age 26

CAA Required Services

- Targeted Case Management 30 days pre-release through 30 days post-release.
- EPSDT screening and diagnostics 30 days pre-release or as soon as feasible immediately post-release (i.e., within one week).

CAA Intersection

- CMS allows states to cover the CAA required services under the 1115.
- Must cover at least the same services for the same beneficiaries as required under CAA.
- State plan amendment required to attest to State Operational Plan effective January 1, 2025.
- Significant alignment surrounding required procedures and policies to integrate carceral services within broader Medicaid systems and processes.

SERVICES FOR ELIGIBLE JUVENILES

If your facility has adjudicated, eligible juveniles:

- **Certain Medicaid-eligible juveniles are eligible for pre- and post-release services:**
 - Targeted Case Management (30 days pre- and post-release)
 - Screening and Diagnostics (30 days pre-release)
- **Eligible juveniles include those who are (1) Medicaid eligible, (2) adjudicated, and (3) under 21 or under 26 in the former foster care Medicaid eligibility category.**
 - Only applicable for youth who are within 30 days of release to the community.
- **These requirements apply regardless of a facility's participation in JUST Health Plus; however, participating in JUST Health Plus will help a correctional facility satisfy the requirements.**
- **Applicable facilities (if they have eligible juveniles as described above):**
 - CYFD: In progress
 - NMCD: In progress
 - Counties and Tribal Facilities: In progress for County Cohort 1 facilities; HCA will work with other facilities individually
- **Flexibilities, if needed:**
 - Provide the services but not bill Medicaid.
 - Services that cannot be provided pre-release may be provided post-release; HCA will work with facilities to determine feasibility.

STATUS OF JUST HEALTH PLUS

STATUS OF JUST HEALTH PLUS NMCD PILOT COHORT

Three NMCD facilities are part of the pilot that started July 1, 2025:

- Central NM Correctional Facility
- Western NM Correctional Facility
- Springer Correctional Center

The JUST Health Plus pilot facilities are approved to cover the following services (Service Level Two):

- Medication Assisted Treatment (MAT)
- Thirty Days of Medications Upon Release
- Hepatitis C Diagnostic and Treatment Services
- Case Management (CM)
- Certified Peer Support Worker Services
- Community Health Worker Services

NMCD POST READINESS ASSESSMENT

- HCA conducted site visits at the three NMCD pilot facilities in December 2025 to inform ongoing program implementation and systems updates.
- **Overview of Site Visit Activities**
 - Intake Process and Classification
 - Re-entry Process
 - Healthcare
 - MAT Services
 - MCO engagement

WNMCF

CNMCF

STATUS OF JUST HEALTH PLUS CYFD

HCA received federal approval to bill for certain pre-release services for eligible juveniles. Children, Youth and Families Department(CYFD) and HCA have been coordinating on the following.....

CYFD will begin billing Medicaid at two facilities:

- Youth Development and Diagnostic Center
- John Paul Taylor Center

Services in the first stage of implementation include:

- Targeted Case Management
- EPSDT Screenings and Diagnostics

The second stage of implementation for CYFD will include 1115 Demonstration Service Level Two Services.

- Contingent on assessment of CYFD readiness and HCA systems readiness.

STATUS OF JUST HEALTH PLUS

COUNTY DETENTION CENTERS — COHORT ONE

County Detention Center	Status	Estimated Go-Live Date
Bernalillo County Metropolitan Detention Center	Intent to Participate: Submitted; Pre-Readiness & Capacity Budget Application: Submitted; Contract pending County Commission approval.	May–June 2026
Valencia County Detention Center	Intent to Participate: Submitted; Pre-Readiness & Capacity Budget Application: Submitted; Contract executed.	May–June 2026
Santa Fe County Detention Center	Intent to Participate: Submitted; Pre-Readiness & Capacity Budget Application: Submitted; Contract executed.	May–June 2026
Socorro County Detention Center	Intent to Participate: Submitted; Pre-Readiness & Capacity Budget Application: Submitted; Contract executed.	May–June 2026
Bernalillo County Youth Services Center	Intent to Participate: Submitted. Pre-Readiness Submitted.	July 2026

- **Status of Cohort One:**

- County Cohort One facilities submitted pre-readiness assessments to support planning for program implementation and identifying capacity-building needs related to services for justice-involved individuals.
- HCA reviewed materials and met with each county facility to discuss submissions and proposed budgets for capacity funding. 3 of 5 contracts executed and those facilities are approaching Milestone 3 Readiness Assessment.

COUNTY DETENTION CENTER DECLARATION OF INTEREST

- HCA held a County Detention Center stakeholder meeting on April 1, 2026.
- HCA discussed the opportunities to work with Medicaid under the 1115 Demonstration Waiver and services for Justice-involved juveniles and young adults (CAA)
- For HCA to determine a timeline and next steps for each county, we need to assess each county's interest in participating in JUST Health Plus.
- We requested that each county fill out the Declaration of Interest form to indicate their interest, preferred timeline, and current provision of services.
- This form will help HCA identify the next County cohort and ensure accurate reporting to CMS for the CAA requirements.
- We requested each county to fill out a survey to help us identify current services and cost for services counties may have.
 - [Exploring MOUD and HCV Availability in Carceral Facilities](#)
- **HCA asks Counties to submit the Declaration of Interest form and survey by April 22, 2026**

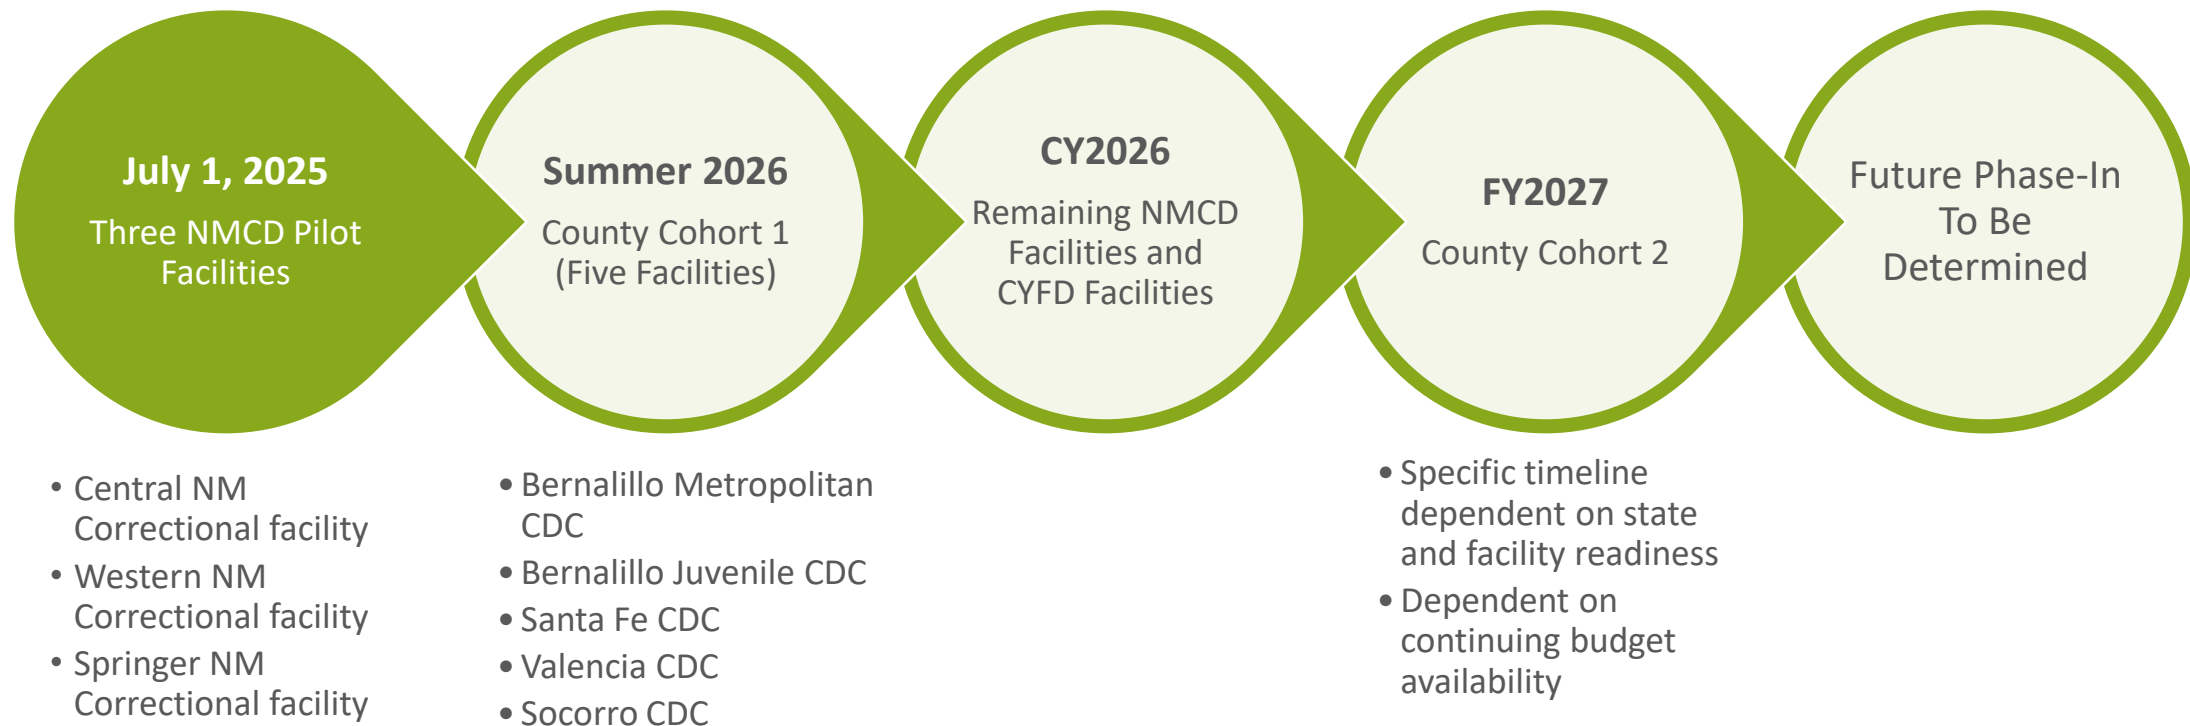

FUTURE PHASE-IN OF ADDITIONAL CORRECTIONAL FACILITIES

ESTIMATED FUTURE 1115 PHASE-IN

TIMELINE

- Based on current legislative budget appropriations, HCA projects this phase-in schedule for facilities operating at Service Level One and Two:

ESTIMATED FUTURE 1115 PHASE-IN

CAPACITY FUNDING AND READINESS ASSESSMENTS

- Capacity building funding:
 - Supports facilities in meeting the 1115 waiver requirements.
 - Facilities request funding by completing pre-readiness and readiness assessments and developing a proposed budget.
 - Funding is awarded based on the facility's proposed budget within the allowable use categories up to a maximum amount based on facility average daily population.
- Readiness deliverables include facility self-assessment, attestations and narratives covering:
 - Medicaid application and enrollment process.
 - Responsibilities and processes of providers, facilities, and third-party contractors.
 - Delivery of mandatory services under Service Level Two.
 - Oversight, staffing, and project management.

HCA has not yet identified facilities for future NMCD or County cohorts. Future capacity funding is subject to state budget availability.

ESTIMATED FUTURE 1115 PHASE-IN

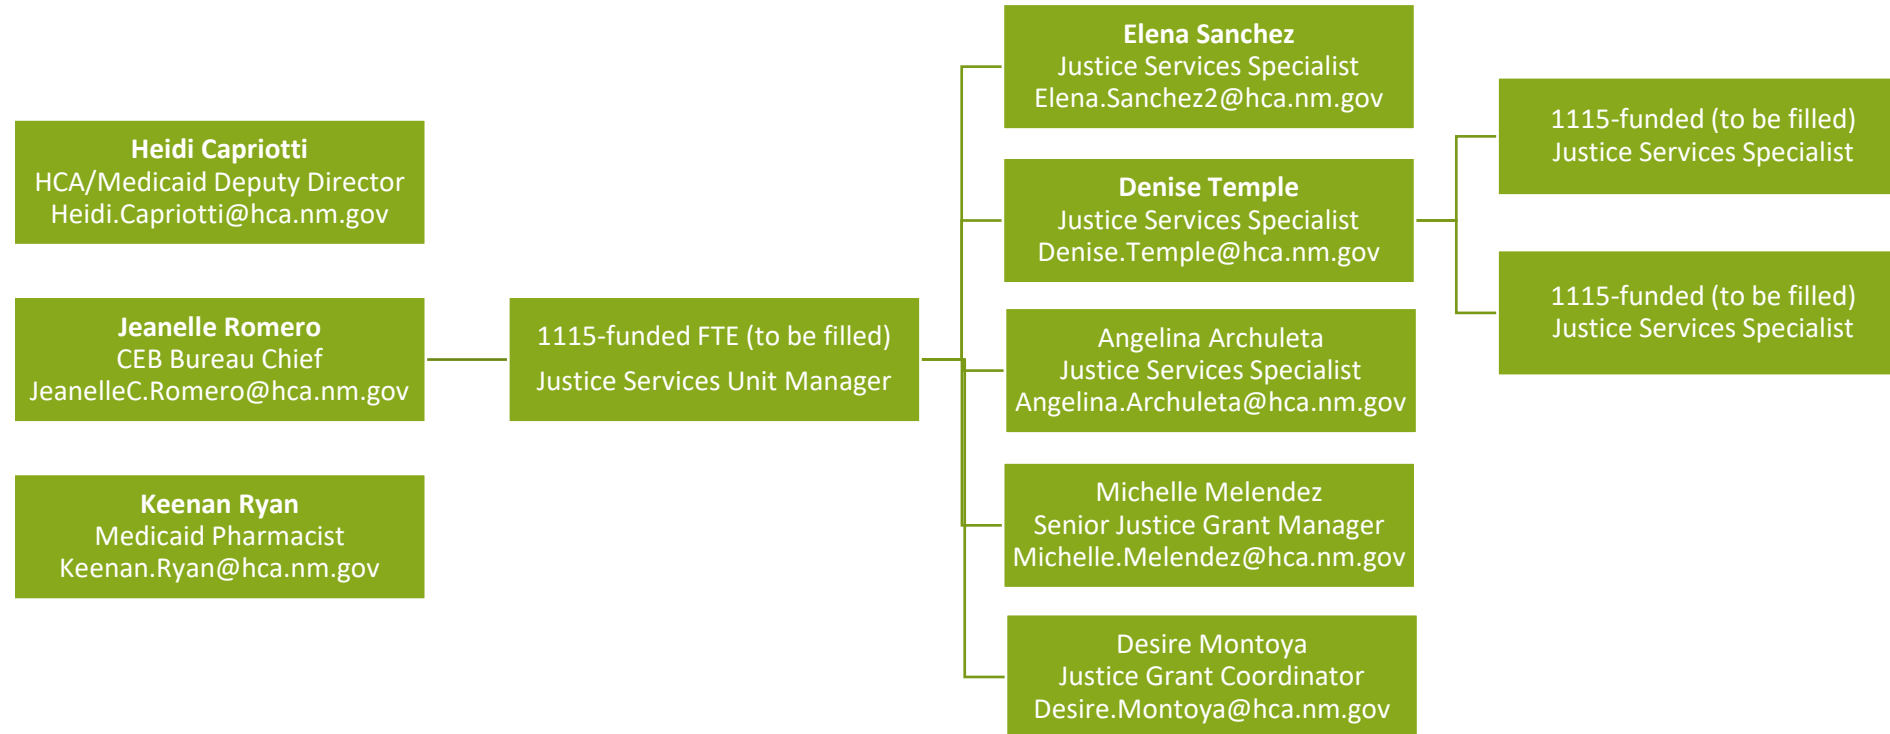

ALLOWABLE USES OF CAPACITY FUNDING

- Hiring of Staff, consultants and Training
- Technology and IT Services
- Adoption of Certified Electronic Health Record Technology
- Purchase of Billing Systems
- Development of Protocols and Procedures
- Additional Activities to Promote Collaboration
- Planning
- Other Activities to Support Provision of Pre-release Services
