The purpose of this Letter of Direction (LOD) is to provide guidance and directives to the Centennial Care 2.0 Managed Care Organizations (MCOs) to continue the payment rates for CareLink New Mexico (CLNM) Health Homes. Payment rates reflect the addition of Substance Use Disorder (SUD) to the CLNM eligibility criteria, effective January 1, 2021.

CareLink New Mexico Health Homes PMPM rates extended

MCOs are directed to continue to pay CLNM Health Homes at the provider specific per member per month (PMPM) rates that were in place for each provider on December 31, 2020, through December 31, 2021.

This LOD will sunset December 31, 2021, or when new PMPM rates are established for Health Homes, whichever occurs later.
