Background

The New Mexico Health Care Authority (HCA), through the Medical Assistance Division (MAD), is proposing a new rule under the Health Care Professional Services section of the New Mexico Administrative Code (NMAC). Effective July 1, 2025, MAD began enhancements to the Justice-Involved Utilization of State Transitioned (JUST) Healthcare program. The enhanced program will be known as JUST Health Plus-program. The program covers medically necessary health services furnished to eligible recipients. The program will help individuals reentering the community following incarceration. MAD received 1115 authority, from the Centers for Medicare and Medicaid Services (CMS), to pay for covered medical services provided to incarcerated Medicaid eligible individuals up to 90 days before their release. This part describes eligible providers, covered services, service limitations, and general reimbursement methodology. This new NMAC is to establish rules for the JUST Health Plus program in New Mexico.

MAD is updating the Medicaid re-enrollment rules from 6 months to 3 months aligning NMAC to program functionality.

The HCA is proposing to amend the rules as follows:

Throughout the NMACs:

1. Language updates have been made to align formatting and style requirements.
2. Updates have been made to replace “HSD” with “HCA”.
3. Section 8 has been updated to include the Departments current mission statement.

8.308.7 NMAC

Section 9 has been updated so that the MCO retroactive enrollment is no more than 3 months, aligning the NMAC enrollment rule with program operational functionality.

8.310.14 NMAC

This new NMAC for the JUST Health Plus program will establish the rules and regulations necessary to carry out the duties of the department and its divisions under the 1115 Justice Reentry Demonstration Waiver.
