Background

The Federal Office of Refugee Resettlement (ORR) issued notice on March 21, 2025, of a change to reduce the eligibility period for Refugee Medical Assistance (RMA) from 12 months to 4 months to avoid a significant budget shortfall. This applies to participants who become eligible for benefits 45 days after the publication date. A methodology had been established by ORR to determine the time eligibility periods for RMA each year based on the appropriated funds available for the fiscal year as described in 45 CFR 400.211.

The Health Care Authority is proposing to amend the rules as follows:

8.200.400 NMAC

Section 10 has been updated to change the RMA coverage period from 12 months to a period established yearly by the Office of Refugee Resettlement (ORR) based on appropriated funds for the fiscal year.

8.249.400 NMAC

Section 6 has been updated to change the RMA coverage period from 12 months to a period established yearly by the Office of Refugee Resettlement (ORR) based on appropriated funds for the fiscal year.

Section 8 has been updated to include the Departments current mission statement.

8.49.600 NMAC

Section 8 has been updated to include the Departments current mission statement.

Section 9 has been updated to change the RMA coverage period from 12 months to a period established yearly by the Office of Refugee Resettlement (ORR) based on appropriated funds for the fiscal year.

Section 11, 12, and 15 have been updated to remove the 12-month eligibility period.
