**The HCA is proposing the following amendments:**

HCA/MAD received approval from the Centers for Medicare & Medicaid Services (CMS) to implement per diem add-on rate for Ventilator Services provided in long-term and skilled nursing facilities in New Mexico authorized under State Plan Amendment (SPA) 21-0012, Nursing Facility (NF) Ventilator Services. The services enable Medicaid recipients to remain in New Mexico, reduce out-of-state family travel burden and allow for better member care coordination. The amendments to the rule allow per diem add-on costs of providing all-inclusive skilled nursing care services to the ventilator dependent resident. Additional amendments to the NMAC include:

1. Section 7 is amended to update the language of “DOH DDS” to “HCA DDS”.
2. Section 8 is amended to include the Department's current Mission Statement.
3. Updated HSD to HCA throughout the NMAC.
4. Throughout the NMAC changes have been made to align with formatting requirements.
