

Innovate Together: Empowering communities to define priorities, create solutions that meet local needs, and build sustainable change for lasting impact.

AOC Planning Grant Overview

Executive Committee Meeting - August 5, 2025

Esperanza Lucero, MBA, MSW
Behavioral Health Integration and Reform Administrator
Administrative Office of the Courts
aoceal@nmcourts.gov

01

Increase community engagement

Creating a framework that fosters **active participation** and connection among community stakeholders.

02

Enhance capacity

Providing technical assistance and resources to strengthen community capacity, enhance expertise, and advance sustainable behavioral health solutions.

03

Promote sustainability

Phased implementation promotes flexibility while building a sustainable, locally driven service delivery system that reflects and responds to community needs.

Key Objectives

Focusing on community engagement, capacity building, and sustainability initiatives

Project Timeline: Key Milestones from Start to Finish

Budget Items	<i>Suggested Budget Amounts</i>	<i>In Kind (25%)</i>
Establish a Regional Stakeholder Planning Committee and for Meeting Related Expenses	<i>\$15,000</i>
