# **I. INTRODUCTION**

## **A. PURPOSE OF THIS REQUEST FOR PROPOSALS**

The purpose of the Request for Proposal (RFP) is to solicit sealed proposals to establish a contract through competitive negotiations for the procurement of dental plans for State of New Mexico and Local Public Bodies (LPB) employees participating in the State's program. Proposals are requested for a self-insured (i.e., Administrative Services Only or ASO) basis for active employees.

The initial effective date is January 1, 2026, for the coverages and is for a short plan year through June 30, 2026, with a new plan year beginning on July 1, 2026. This will align the benefit plan year with the State's fiscal plan year. It is anticipated that contracts resulting from this procurement would be awarded for a three (3) year period, with the option to renew for an additional one-year period, for a maximum contract term of four (4) years.

## **B. BACKGROUND INFORMATION**

Aligned with the New Mexico Health Care Authority's (HCA) mission—helping every New Mexican reach their highest level of health through whole-person, cost-effective, and high-quality care—and its vision of affordable coverage within a seamless system, this RFP seeks one partner to deliver modern, comprehensive, evidence-based dental: benefits for more than 64,000 members. The successful vendor must pair member-centered, affordable, comprehensive, high-quality eye care with a frictionless member experience and robust, data-driven reporting and analytics that support HCA's fiscal stewardship and quality-improvement goals.

The successful vendor will deploy innovative network recruitment, management and retention, innovative payment initiatives, and robust analytics to keep premiums stable, improve member outcomes, and maintain fiscal sustainability.

The HCA State Health Benefits (SHB) provides insurance coverage for active employees of the State of New Mexico and 108 New Mexico municipalities, schools, and counties known as local public bodies (LPBs). LPBs may elect to join annually. SHB currently has a self-funded dental plan. SHB currently covers approximately 64,000 members under its dental plan.

SHB offers an open enrollment period each year for employees to make their elections.

Regarding premium/fee billing, SHB prepares a consolidated premium/fee statement that combines all agencies. SHB bills monthly premium to the individual LPBs, and each state agency premium feeds into the New Mexico Department of Finance and Administration on a bi-weekly basis, and it submit premiums to SHB bi-weekly on their behalf.

The contents of all submitted proposals will be kept confidential until the final award has been completed by the Agency. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

- a. ***Proprietary and Confidential information is restricted to:***
  1. confidential financial information concerning the Offeror's organization; and
  2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7 NMSA 1978.

The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of proprietary or confidential information.

## **9. No Obligation**

This RFP in no manner obligates the State of New Mexico or any of its Agencies to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

## **10. Termination**

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Agency determines such action to be in the best interest of the State of New Mexico.

## **11. Sufficient Appropriation**

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Agency's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

## **12. Legal Review**

The Agency requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Procurement Manager.

## **13. Governing Law**

## **14. Basis for Proposal**

Only information supplied in writing by the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

## 15. Contract Terms and Conditions

The contract between an agency and a contractor will follow the format specified by the Agency and contain the terms and conditions set forth in the Draft Contract Appendix C. However, the contracting agency reserves the right to negotiate provisions in addition to those contained in this RFP (Draft Contract) with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The Agency discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of the Agency (and the Evaluation Committee), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (APPENDIX C) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The Agency may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to the Agency and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

## 16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with the Agency. See Section II.C.15 for requirements.

## 17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between the Agency and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

## **18. Offeror Qualifications**

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85 NMSA 1978.

## **19. Right to Waive Minor Irregularities**

The Evaluation Committee reserves the right to waive minor irregularities, as defined in Section I.F.19. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

## **20. Change in Contractor Representatives**

The Agency reserves the right to require a change in contractor representatives if the assigned representative(s) is (are) not, in the opinion of the Agency, adequately meeting the needs of the Agency.

## **21. Notice of Penalties**

The Procurement Code, §§13-1-28 through 13-1-199 NMSA 1978, imposes civil, and misdemeanor and felony criminal penalties for its violation. In addition, the New Mexico criminal statutes impose felony penalties for bribes, gratuities and kickbacks.

## **22. Agency Rights**

The Agency in agreement with the Evaluation Committee reserves the right to accept all or a portion of a potential Offeror's proposal.

## **23. Right to Publish**

Throughout the duration of this procurement process and contract term, Offerors and contractors must secure from the agency written approval prior to the release of any information that pertains to the potential work or activities covered by this procurement and/or agency contracts deriving from this procurement. Failure to adhere to this requirement may result in disqualification of the Offeror's proposal or removal from the contract.

## **24. Ownership of Proposals**

All documents submitted in response to the RFP shall become property of the State of New Mexico. If the RFP is cancelled, all responses received shall be destroyed by the Agency or HCA.

## **25. Confidentiality**

Any confidential information provided to, or developed by, the contractor in the performance of the contract resulting from this RFP shall be kept confidential and shall not be made available to any individual or organization by the contractor without the prior written approval of the Agency.

The Contractor(s) agrees to protect the confidentiality of all confidential information and not to publish or disclose such information to any third party without the SHB's written permission.

Table 1: Evaluation Point Summary

## **B. EVALUATION FACTORS**

### **1. B.1 Organizational Experience (See Table 1)**

Points will be awarded based on the thoroughness and clarity of Offeror's response in this Section. The Evaluation Committee will also weigh the relevancy and extent of Offeror's experience, expertise and knowledge; and of personnel education, experience and certifications/licenses. In addition, points will be awarded based on Offeror's candid and well-thought-out response to successes and failures, as well as the ability of the Offeror to learn from its failures and grow from its successes.

### **2. B.2 Organizational References (See Table 1)**

Points will be awarded based upon an evaluation of the responses to a series of questions on the Organizational Reference Questionnaire (Appendix F). Offeror will be evaluated on references that show a positive service history, successful execution of services and evidence of satisfaction by each reference. References indicating significantly similar services/scopes of work and comments provided by a submitted reference will add weight and value to a recommendation during the evaluation process. Points will be awarded for each individual response up to 1/3 of the total points for this category. Lack of a response will receive zero (0) points.

The Evaluation Committee may contact any or all business references for validation of information submitted. If this step is taken, the Procurement Manager and the Evaluation Committee must all be together on a conference call with the submitted reference so that the Procurement Manager and all members of the Evaluation Committee receive the same information. Additionally, the Agency reserves the right to consider any and all information available to it (outside of the Organizational Reference information required herein), in its evaluation of Offeror responsibility per Section II.C.18.

### **3. Specifications**

The evaluation committee will utilize the responses from RFP questionnaire to determine a vendor's scores.

### **4. C.1 Financial Stability (See Table 1)**

- a) List any pending lawsuit or bankruptcy petitions, any lawsuit or bankruptcy that has been concluded within the last five years, or any current investigation of the offeror, its parent, affiliates, or subsidiaries that may be relevant to the operation of this program. Include a brief description of each item listed.
- b) Offerors must submit copies of the most recent years independently audited financial statements and the most current 10K, as well as financial statements for the preceding three years, if they exist. The submission must include the audit opinion, the balance sheet, and statements of income, retained earnings, cash flows, and the notes to the

financial statements. If independently audited financial statements do not exist, Offeror must state the reason and, instead, submit sufficient information (e.g. D & B report).

**5. C.2 Letter of Transmittal (See Table 1)**

Pass/Fail only. No points assigned.

**6. C.3 Campaign Contribution Disclosure Form (See Table 1)**

Pass/Fail only. No points assigned.

**7. C.4 Oral Presentation (See Table 1)**

Points will be awarded based on the quality, organization and effectiveness of communication of the information presented, as well as the professionalism of the presenters and technical knowledge of the proposed staff. Prior to Oral Presentation, Agency will provide the Offeror a presentation agenda.

**8. C.5 Cost (See Table 1)**

The offeror will be evaluated based on the total cost of implementation of the program for the 1-year contract period. The evaluation of each Offeror's cost proposal will be conducted using the following formula

$$\frac{\text{Lowest Responsive Offeror's Cost}}{\text{Each Offeror's Cost}} \times \text{Available Award Points}$$

**9. C.6. New Mexico/Native American Resident Preferences**

Percentages will be determined based upon the point-based system outlined in § 13-1-21 NMSA 1978 (as amended).

**A. New Mexico Resident Business Preference / Native American Resident Preference**

If an Offeror has provided a copy of its New Mexico Resident Preference Certificate or Native American Resident Preference Certificate, the points awarded will be calculated as 8% of the total points available in this RFP.

**B. New Mexico/Native American Resident Veteran Preference**

If an Offeror has provided a copy of its New Mexico Resident Veteran Preference Certificate or Native American Resident Veteran Preference Certificate the points awarded will be calculated as 10% of the total points available in this RFP.

**C. EVALUATION PROCESS**

1. All Offeror proposals will be reviewed for compliance with the requirements and specifications stated within the RFP. Proposals deemed non-responsive will be eliminated from further consideration.

2. The Procurement Manager may contact the Offeror for clarification of the response as specified in Section II. B.7.
3. The Evaluation Committee may use other sources to perform the evaluation as specified in Section II. C.18.
4. Responsive proposals will be evaluated on the factors in Section IV, which have been assigned a point value in Section V. The responsible Offerors with the highest scores may be selected as finalist Offerors, based upon the proposals submitted. In accordance with §13-1-117 NMSA 1978, the responsible Offerors whose proposals are most advantageous to the State taking into consideration the Evaluation Factors in Section V will be recommended for award (as specified in Section II.B.12). Please note, however, that a serious deficiency in the response to any one factor may be grounds for rejection regardless of overall score.
