The Human Services Department (the Department), through the Medical Assistance Division (MAD), is proposing to amend the New Mexico Administrative Code (NMAC) rule 8.280.400 NMAC Medicaid Eligibility – Program of All-Inclusive Care for the Elderly (PACE). The PACE is a unique capitated program which addresses the long term care needs of frail elders. It features a comprehensive medical and social service delivery system to serve individuals with long-term care needs who are over 55 years of age, meet a nursing facility level of care, live in an eligible zip code within Bernalillo, Sandoval, and Valencia Counties and who, upon enrollment, are able to live safely and independently in the community setting.

Section 9-8-6 NMSA 1978, authorizes the Department Secretary to promulgate rules and regulations that may be necessary to carry out the duties of the Department and its divisions.

## **Section 8**

The Department's mission statement has been added.

## **Section 11**

Language is clarified concerning the requirements that apply to applicants, recipients or both groups.

The individual requirements are more clearly grouped.

A fourth subsection, D, has been added in accordance with 42 Code of Federal Regulations (CFR) 460.150 which requires all applicants, upon enrollment into PACE, to be able to live in the community setting without jeopardy to their health and safety.

Amendments throughout the rule have been made changing "applicant/recipient" to "applicant or recipient" to show clarification of when language applies to both applicants and enrolled recipients, and when it does not.
