8.240.400.8 [RESERVED]

8.240.400.9 QUALIFIED MEDICARE BENEFICIARIES (QMB) - CATEGORY 040: To be eligible for the qualified medicare beneficiaries program (QMB), an applicant/recipient must be covered by medicare part A. Medicare part A is a free entitlement to social security beneficiaries who are sixty-five (65) years of age or older or who have received social security disability payments for twenty-four (24) months. Fully or currently insured workers, or their dependents, who have end-stage renal disease are also covered under medicare. Most applicants/recipients sixty-five (65) years of age or older who do not receive free medicare part A can voluntarily enroll for hospital insurance coverage, with payment of a monthly premium. Voluntary enrollees must also enroll for supplementary medical insurance, medicare part B, and pay that premium, as well.
[2/1/95; 9/15/95; 8.240.400.9 NMAC - Rn, 8 NMAC 4.QMB.400, 7/1/03]

8.240.400.10 BASIS FOR DEFINING THE GROUP: Applicants/recipients eligible for medicaid coverage under any other category may be eligible for coverage under QMB. QMB eligibility affords two advantages when an applicant/recipient is already eligible for medicaid:

- A. medicare premium part A is payable by medicaid; and
- B. medicaid receives federal matching funds for purchase of medicare part B.

8.240.400.13 CITIZENSHIP:

A. Refer to Medical Assistance Program Manual 8.200.410.11 NMAC.

B. **Verification of citizenship:** Citizenship determinations rendered by the social security administration (SSA) for SSI are final.

(1) Documentation of citizenship: Primary documentation of citizenship is a birth certificate. Secondary documentation includes:

(a) certificate of naturalization;

(b) citizenship certificate;

(c) other resident identification documents issued by the United States immigration and naturalization service, such as:

(i) U.S. passport issued by the U.S. state department;

(ii) consular report of birth;

(iii) certification of birth issued by the U.S. state department, proof of marriage to a U.S. citizen before September 2, 1922, or a card of identity and registration of a U.S. citizen; or

(iv) official communication from an American foreign service post indicating that an applicant/recipient is registered as a United States citizen.

(2) Declaration of citizenship, nationality, or immigration status: As a condition of eligibility, medicaid requires a declaration by the applicant/recipient or by another person on behalf of a child or an applicant/recipient who is mentally incapacitated, which specifies whether the applicant/recipient is a citizen or national of the United States. If not, the declaration must state that the applicant/recipient is in satisfactory immigration status. Eligibility is not denied solely because an applicant/recipient cannot legally sign the declaration and the individual who is legally able to do so refuses to sign on the applicant/recipient's behalf or to cooperate, as required.

[2/1/95; 9/15/95; 4/30/98; 8.240.400.13 NMAC - Rn, 8 NMAC 4.QMB.412, 7/1/03]

8.240.400.14 RESIDENCE: An applicant/recipient must be physically present in New Mexico on the date of application or final determination of eligibility and have demonstrated intent to remain in the state. If the applicant/recipient does not have the present mental capacity to declare intent, the parent, guardian or adult child can assume responsibility for a declaration of intent. If there is no guardian or relative to assume responsibility for a declaration of intent, the state where the applicant/recipient is living is recognized as the state of residence. A temporary absence from the state does not prevent eligibility. A temporary absence exists if an applicant/recipient leaves the state for a specific purpose with a time-limited goal and intends to return to New Mexico when the purpose is accomplished.

[2/1/95; 9/15/95; 8.240.400.14 NMAC - Rn, 8 NMAC 4.QMB.413, 7/1/03]

As part of this responsibility, the applicant/recipient must provide required information and documents or take the actions necessary to establish eligibility. Failure to do so must result in a decision that eligibility does not exist. An applicant/recipient must also grant the human services department (HSD) permission to contact other persons, agencies or sources of information which are necessary to establish eligibility.
