

- k. For services provided to Native Americans by a qualified facility operated by the Indian Health Service (IHS), tribal government(s), or Indian Health Care Provider (IHCP), the applicable Office of Management and Budget (OMB) rate will be paid as published and specified in the Federal Register.

For qualified facilities operated by Indian Health Care Providers that contract with the Medicaid agency as a FQHC, an alternative payment method (APM) is allowed. The APM rate for services provided by an IHCP is set at the OMB rate.

For purposes of being designated as a FQHC by Medicaid, an Indian Health Care Provider does not need to meet any requirement, other than meeting the P.L 93-638 requirement.
